LANGUAGE AND SUPPORT ACADEMY

Revision and extension classes

Start date: 1 October

These classes are designed for those students who need an activity to reinforce or extend their **academic studies**. It caters for internal and external students from Primary to Bachillerato, supporting all the proposed educational objectives. All this without neglecting the emotional and affective part of the students, which is as necessary as the academic part for their smooth progress.

These objectives can be achieved through:

- ✓ private classes in all subject areas.
- ✓ workshops and small groups, both within and outside of school hours.

STUDY GROUP

The school offers students from 6th Primary to 4th ESO the STUDY GROUP service, an extracurricular session of 1h, from Monday to Thursday, in order to support students in their daily homework, resolving their concerns and providing study techniques.

1h per week	60,00 €	month
2h per week	96,00 €	month
3 h per week	144,00€	month
4 h per week	176,00€	month

Registrations:

Students requiring these classes should register directly via: languageandsupport@eisbarcelona.com.

The classes will be carried out respecting all the necessary protocols to guarantee the safety of both the students and our teachers. To this end, hydro-alcoholic gels are provided in the classrooms and the furniture is appropriately laid out to guarantee social distance.

MOTHER TONGUE SUPPORT

From the Language Academy department, we promote the learning of mother tongues, especially if these are not included in the school curriculum.

Russian and Chinese classes have been designed for this purpose (within school hours or from 5 pm). In addition, the school is open to new language proposals, which serve to preserve the mother tongue.
